CERTIFICATION EUROPE™

This is to certify that the

Information Security Management System

Of

Keeper Technology Solutions Limited
T/A Keeper Solutions & Keeper Technologies d.o.o

At

Oakhampton, Newport, County Tipperary, V94 Y77D
Anina 2, Varazdin- 42000, Croatia

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO/IEC 27001:2022

This certificate is valid for the activities specified below:

The information security management system (ISMS) of Keeper Technology Solutions Limited T/A Keeper Solutions & Keeper Technologies d.o.o. covers the consultancy, design, development, sales, marketing, and managed services associated with its global software solutions and services. This coverage extends to all remote-working personnel.

Certification to the standard is made under the Statement of Applicability (version 18/08/2023) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
To verify this certificate validity please contact us at info@certificationeurope.com

Date of Initial Certification: 3rd October 2023
